VISION

**End the Cycle of Abuse
Through the Transforming Power of God**

MISSION

Motivated by God's lovingkindness, Hagar's Sisters cultivates the emotional and spiritual healing of women impacted by intimate partner abuse, empowering them through care planning, education, and compassionate community.

A WORD FROM OUR EXECUTIVE DIRECTOR

This year has reminded us why Hagar's Sisters exists. Too many Christian women continue to face abuse without a safe place to turn – and without guidance that respects both their faith and their safety. When messages of obedience or endurance are misapplied, women can feel confused, isolated, and unsure of what God desires for their lives.

At Hagar's Sisters, we walk with women through some of the hardest chapters of their story. We help them gain clarity about abuse, rebuild their confidence, and reconnect with a faith that brings freedom – not fear. And they are showing tremendous courage. More women than ever reached out this year, and the transformation we've witnessed has been remarkable.

Our national programs continue to grow, thanks to dedicated staff, volunteers, and supporters who believe every woman deserves to feel seen, supported, and safe. Sisters tell us they are experiencing healing, taking practical steps toward safety, and rediscovering hope in Christ.

As we look toward 2026, our focus is simple: strengthen our capacity so no woman has to wait for help. We are grateful for everyone who makes this ministry possible – and honored to walk alongside the women we serve.

With gratitude,

Becky Manseau Barnett

Without a ministry like this, so many women would continue believing they have to stay in a broken relationship. Instead, they're learning that God is the one leading them out of darkness.

Why I Give

WHY I GIVE

A HEARTFELT MESSAGE FROM ONE OF OUR DONORS

“IT IS SIMPLY HEARTBREAKING THAT THE PREVALENCE OF DOMESTIC ABUSE WITHIN THE CHRISTIAN COMMUNITY IS SIMILAR TO THAT OUTSIDE THE CHURCH, AND THAT SO MANY CHURCHES ARE NOT ADEQUATELY ADDRESSING THE ISSUE. HAGAR’S SISTERS STEPS IN TO THIS GAP AND HAS HELPED MANY WOMEN OF FAITH WHO ARE SURVIVORS OF ABUSE, AND WE FEEL PRIVILEGED TO SUPPORT THIS WORK!”

CLOSING STATEMENT

As we close this year, we are reminded that every statistic represents a woman courageously seeking safety, truth, and hope. Because of faithful supporters, volunteers, and prayer partners, women are finding clarity about abuse, rediscovering God's heart for their dignity, and taking steps toward freedom.

Thank you for standing with Hagar's Sisters and for believing that no woman should walk this journey alone. Together, we continue trusting God to transform lives in and through our efforts—moving women from surviving to thriving, just as God created them to live.
